

The Colorado School of Mines Blasterbotica Team

Invites Elementary Students to
participate in our

“Name the Rover” Essay Contest

We need your help! Our Rover doesn't have a name, and it needs one before it travels to Florida in May for NASA's Robotic Mining Competition.

To participate in this competition, submit an essay following these rules:

- ❖ Your essay must be your own, original work
- ❖ Your essay must not be longer than
 - 50 words if you are in Grades K-2
 - 250 words if you are in Grades 3-5
- ❖ If your idea is the name of a person, that person cannot still be alive today
- ❖ Your idea should not be the same as names already given to NASA missions or programs.
- ❖ Essays will be 12-point, Times New Roman font (or for K-2, handwritten is allowed) and will be submitted with our official Contest Entry Form.

Grand Prize Wins a Visit From the Rover

-Contest runs from **January 1, 2014 until March 15, 2014.** Mail submissions to:

Blasterbotica
c/o Dr. Christopher Dreyer
Mechanical Engineering Department
Brown Hall W350
1610 Illinois Street
Golden, CO 80401

-For Full Contest Rules and prizes, see the attachment or visit our website at blasterbotica.mines.edu/Outreach.

-Contact our Outreach Coordinator, Joanne Haas, at outreach.blasterbotica@gmail.com with any questions.
