

The Colorado School of Mines Blasterbotica Team

Invites Middle School Students to
participate in our

“Mining in Space” Art Contest

We need your help! Our Rover needs artwork to showcase it as it travels to Florida in May for NASA’s Robotic Mining Competition.

To participate in this competition, submit a Work of Art following these rules:

- ❖ Your artwork must be your own, original work
- ❖ Your artwork must respond to the theme “Mining in Space”
- ❖ Artwork will be accepted in the following categories:
 - ❖ 2-D Art
 - ❖ 3-D Art
 - ❖ Comic Strips and Graphic Stories (8 pages or less)
- ❖ Bonus points will be awarded to artwork which shows realistic space scenarios that do not break scientific principles
- ❖ Digital Photographs or Scans of all artwork will be submitted with our official Contest Entry Form and an Artist’s Statement.

Grand Prize Art Displayed at our Booth in Florida during the Competition

- Contest runs from **January 1, 2014 until March 15, 2014**. Email submissions to: outreach.blasterbotica@gmail.com.
- For Full Contest Rules and prizes, see the attachment or visit our website at blasterbotica.mines.edu/Outreach.
- Contact our Outreach Coordinator, Joanne Haas, at outreach.blasterbotica@gmail.com with any questions.
